* If a student takes 48500 as an advanced option in year 1 (Core) and then decides to take the clinical practice concentration, the student must take 445xx in year 2.

** It is recommended, but not required, that a student selects from a "cluster" of classes when choosing elective courses: Community Organizing, Planning, and Development; Management; Policy Planning, Analysis, and Advocacy

*** When choosing electives, 60% of our students **design their own educational program**. Others choose to apply to and complete a **Program of Study**.

Electives

Programs of Study allow students to tailor their degree program to their professional interests. Some programs are for Administrative students, some are for Clinical, while others are for both.

Social Administration and Clinical Practice

- Family Support
- Global Social Development Practice
- Graduate Program in Health Administration and Policy/GPHAP (*This is a certificate program open to SSA, Booth, Harris and Law.*)
- GPHAP: Global Health Cert. (*includes Pritzker*).

- Older Adult Studies
- Violence Prevention

Social Administration-only

- Leadership in Community Schools
- Poverty and Inequality

Sixty percent of students **design their own program** by taking a series of courses around an area of interest, a population, or a social problem. Examples include, but are not limited to:

- Child and Adolescent Mental Health
- Family and Child Welfare
- Group Work
- LGBTQ Clients
- Low Wage Jobs and Work Force Development
- Mental Health
- Trauma
